Goal: The goal of this program is to introduce basic skills, provide instruction & teamwork for students in the 3rd & 4th grade. We will also emphasize sportsmanship and teach students about the responsibility of being a student athlete. This is also an opportunity for younger players and their families to learn about the game of basketball before they are eligible to compete in the Richfield 5th grade level & above school program.

How does the program work & who can participate:

This program is for any Richfield community students in the 3rd & 4th grade levels. This is a co-ed program. The program goal is to have approximately 55 players. Skills and drills will be taught for the first 40 minutes. Then scrimmage games will be run for approx. 45 minutes. At the end of each session we use the last 5 minutes as a team builder with fun events with coaches/players.

NOTE: There are 2 teams set up at random during each time slot. This allows everyone to play with all Jr. Raiders players throughout the season

Jr. Raiders

- Skills
- Games
- Fun

***Parent note:** Parents are responsible to drop off players 10 minutes prior to scheduled time and return to school for pick-up 10 minutes prior the finish time. Also, please send bottled water, proper shoes, and proper clothing to be used during basketball program. Families are welcome to stay and watch basketball activities.
