May 2018

Dear Eighth Grade Student and Parents,

In remembrance of Mrs. Boby Frings, a former Richfield teacher and resident, a scholarship fund has been established. Mrs. Frings' family has established the scholarship in order to provide monetary assistance to an eighth grade graduate from Richfield Joint School District No. 1 to be used in pursuit of post-high school studies.

A one thousand five hundred-dollar scholarship (\$1,500.00) winner will be announced at the eighth grade graduation on June 7, 2018. The selected student will have demonstrated good study habits, good academic achievement, a positive attitude, and an interest in the school, community, and his/her fellow students.

Any Richfield eighth grader, who is certified for graduation on June 7, 2018 and indicates an intention to continue his or her education after high school and has met the entrance requirement for high school, is eligible to apply for the scholarship. The Mrs. Boby Frings Memorial Scholarship Committee, made up of middle school faculty members, will review applications and are charged with selecting the recipient.

The scholarship committee will continue to monitor the recipient's progress throughout his/her four years in high school. After the recipient graduates from high school and has enrolled in a post-high school institution, the scholarship money will be awarded. Proof of enrollment in a post-secondary program will be required prior to the issuing of the scholarship. If special circumstances arise that cause the recipient not to continue his or her education, then the money remains in the memorial fund.

A completed application and other requested information requested are due to the Richfield School office by Friday, May 25, 2018.

If you have any questions, please feel free to contact me at 262-628-1032, ext. 2101.

Sincerely,

Mrs. Tara Villalobos, District Administrator  
and the Richfield Scholarship Committee
