**Welcome to Friess Lake Elementary School  
2018-2019 Kindergarten Registration**

On behalf of the Joint Interim School Board and entire staff, welcome to Friess Lake Elementary School! Kindergarten registration for the 2018-2019 academic school year is for new 4K and 5K students. Our Districts are committed to providing students with a high quality education. We look forward to working with you!

Children in the Holy Hill Area School District who will be 4 years old on or before September 1, 2018, are eligible to be registered for the 4K program at Friess Lake School for the 2018-2019 school year. You are able to register your child(ren) online, anytime at your convenience, or registration can be completed at Plat School during registration times. There is also a link on our website at [www.richfield.k12.wi.us](http://www.richfield.k12.wi.us) for online registration, which may be completed at any time. On-site registration for 4K and **new** 5K students for the 2018-2019 school year will take place at Plat School on January 24th from 7:30 a.m. - 7:30 p.m. and on January 25th from 8:00 a.m. - 1:00 p.m., or at Friess Lake School on January 31st or February 1st. Your child's original birth certificate, immunization record and a proof of residency are to be turned in during registration. Materials will be available at registration at both schools to help with the transition to starting school. The 4K school experience is a  $\frac{1}{2}$  day educational program in the Holy Hill Area School District. The 2018-2019 school hours at Friess Lake School for the 4K program are estimated to be 8:10 a.m. to 11:00 a.m. Busing services for 4K students will be provided on a daily basis.

Registration is a time for parents and 2018-2019 kindergarten students to register for school, to see the facility and feel welcome at school!

Please call or e-mail me if you have any questions. It will be a great year!

Sincerely,

*Tara Villalobos/Jeff Carron*
