

Meeting Notes - 9/12/17

Over the summer, it was requested that RAPT fund a Tumble Books subscription for the upcoming school year. The cost was \$800. We denied the request at the time due to lack of information. Because this is about putting books in the hands of children who may not otherwise have access to them, I asked Mrs. Shattuck for more info. What the subscription all entails, can we track how much it is used, are there other options, etc. Mrs. Shattuck has done a bit of research and is willing to quickly discuss at the start of our meeting.

- Puts books in the hands of kids. Can the school track who is logging in to use it.
- Aligned with the standards.
- Will go through 5th grade
- \$800 provides over 1000 titles
- Wanting to renew subscriptions.
- Getting more communication to families and teachers.
- Variety of books they can be read to or read them.
- A better variety of book titles

There is a possible change in Mrs. McGinley's grant request. Dawn will give us the details on this.

- Good News: Let's brainstorm new ideas. A Richfield Raiders Cafe. For Readers of all ages. 3-5 grade students with Lions and Hartford Area Seniors to have the students read to them with eating and socializing. This would run during recess and lunch. Run 4xs a year, so they can choose. We would like to get info out to the Seniors and then give sign up for students. Provides a great way for socialization for kids. Need additional seating, book bins, clean up and end of session party. Bad News: The read dogs can't work for this year.
- Goes to students who need additional help with reading during Rtl time during lunch time.
- Requesting a \$1000 to create an inviting area for seniors to be read to.
- Asking volunteers to come in on Wednesday.
- Get the volunteers and go forward

Opening the Spirit Wear Store

Mrs. Hose has PBIS receipts for Paula
