

Community Give Back - Fundraising opportunity with Jessica Huffman and Wildtree

I am a Team Leader with Wildtree and have been with Wildtree 3.5 years. Wildtree is an all natural and organic food company. We offer a variety of spice blends, breads, desserts, meal prep bundles, holiday gift bundles and more! Truly something for everyone!

My son Drake Kulasiewicz has been attending Plat Elementary since 4k and he loves his school so much! He has had such amazing teacher's and a great experience while at Plat.

Each year since I started Wildtree, during the month of November I give back to the community, and this year I have chosen the Richfield School District. I am giving 20% of sales back to the District. This is Drake's last year at Plat and our family wanted to do something special!
